Reach for Undergraduate Research Experiences

Tips for Your Success

SUCCESS!

If not selected, ask program contact why, so you can increase chances for next time!

SUBMIT

Before you submit:

1. Have someone review it (copy & paste into a document)
2. Submit supplemental documents (letters of recommendation, transcripts, etc.)
3. Assume that you will not be informed if something is missing

APPLY

Reviewers are looking for:

- A good fit for the program
- Very little jargon
- No spelling or grammar mistakes
- Your personality
- Your story and journey
- Confidence

FIND OPPORTUNITY

- Ask questions to program contact
- Know how to submit (email, fax, online, etc.)
- Read requirements & directions
- Review eligibility

New Mexico EPSCoR

New Mexico EPSCoR is funded by the National Science Foundation (NSF) award #IIA-1301346. Any opinions, findings, conclusions, or recommendations expressed in the material are those of the author(s) and do not necessarily reflect the views of the NSF.

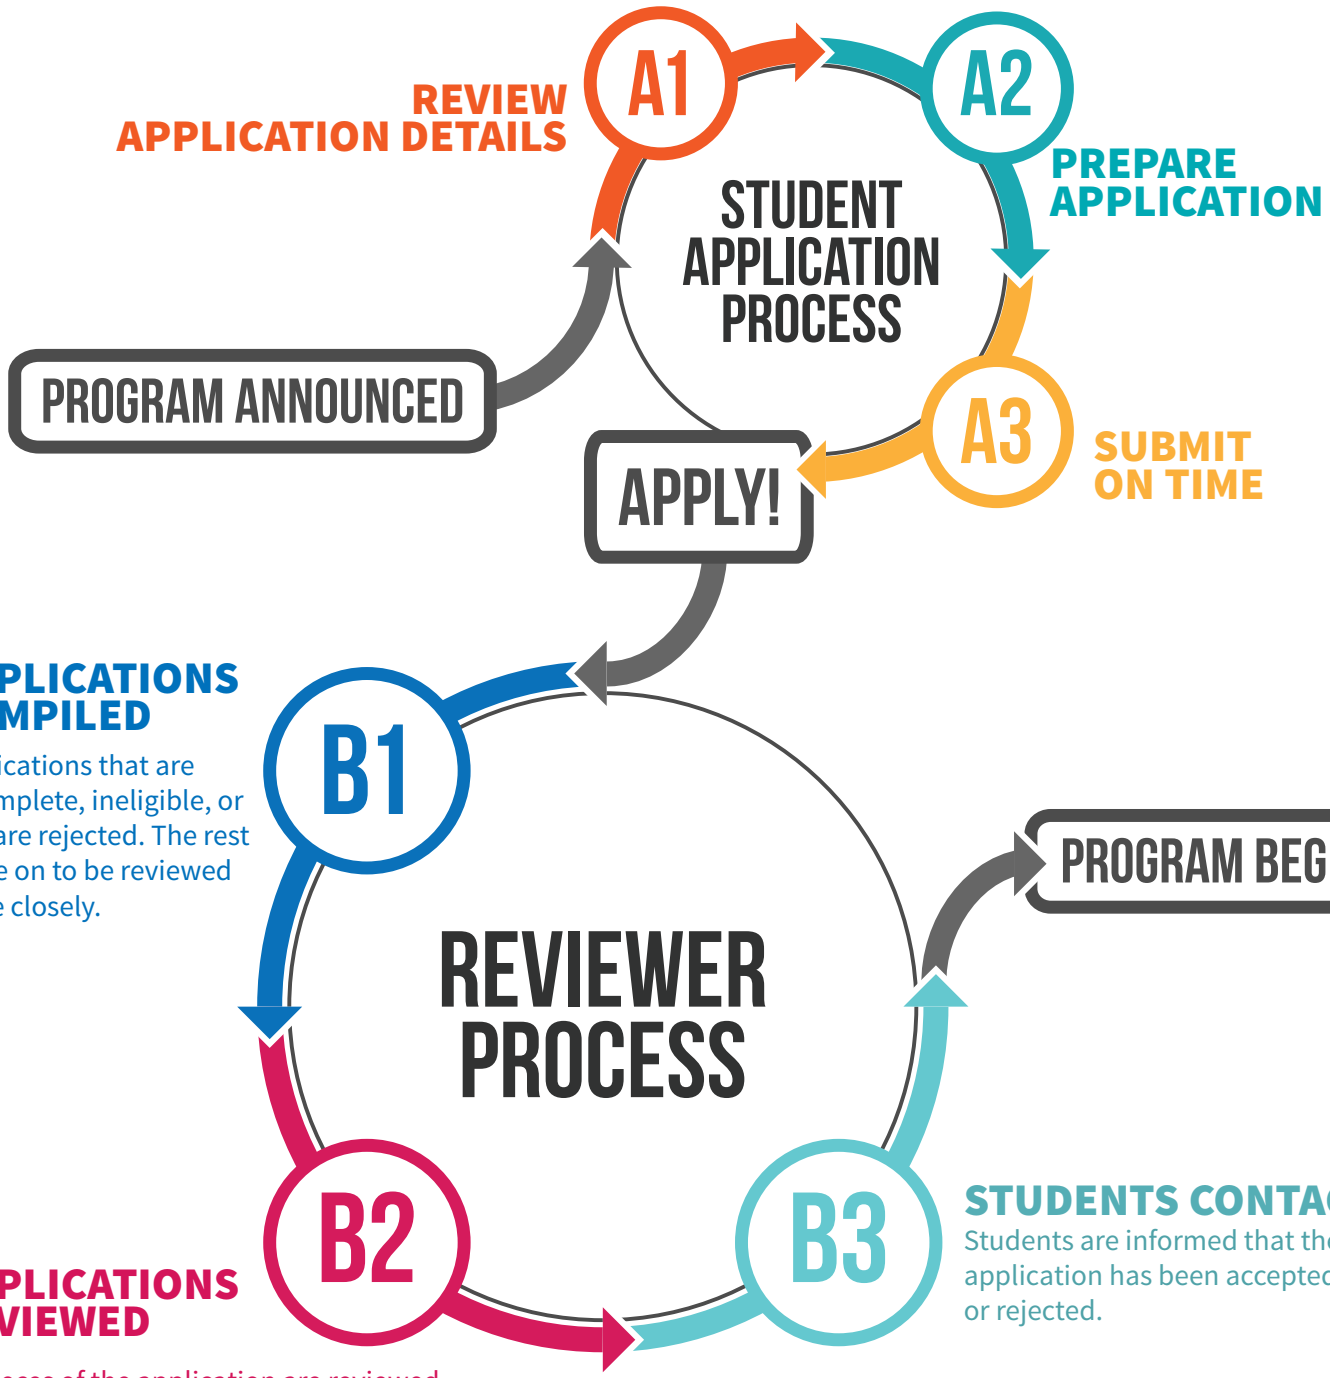
Your Application's Journey



APPLICATIONS COMPILED

Applications that are incomplete, ineligible, or late are rejected. The rest move on to be reviewed more closely.

APPLICATIONS REVIEWED

All pieces of the application are reviewed. Reviewers look for applications that:

- Do not have grammar or spelling mistakes
- Reflect a robust personal story
- Approach program goals in a compelling way

STUDENTS CONTACTED

Students are informed that their application has been accepted or rejected.
