

All Hands Meeting

NEW MEXICO SMART GRID CENTER • MAY 17, 2019
UNM SCIENCE & TECHNOLOGY CENTER

Meeting Objectives

- Inform team members, External Advisory Board, and State Committee on goals/progress/accomplishments
- Build community and establish/grow collaborations
- Brainstorm how we enhance graduate student diversity
- Contextualize our project in state/institutional priorities
- Review strategic plan and make plans for the remainder of Year 1 and Year 2; finalize annual reporting materials
